## Grand Jury Makes Report

The Grand Jury made a report on Wednesday following the investigation in the recent shooting by Sheriff Funderburg, and his deputies, The report was much after the order of the Coroner's verdict which was second degree murder.

The grand jury was in session from Monday until Wednesday and a number of other cases were also investigated.

The jury returned a joint indictment against Sheriff Funderburg, Deputy Sheriff Joe Day, Police Officer Simms, and William Burns for second degree murder for the killing of Volney Nichols on the night of Sept. 5.

Two indictments were also returned against each of the officers and Burns charging shooting with intent to kill and shooting with intent to wound.

The prosecutor may bring the men to trial under any of the indictments he may elect.

The shooting was the result of a number of young men play pranks on automobile drivers when a tire was placed on the Wilmington pike about three miles from Xenia, and when the driver of the machine stopped to get it the boys would pull a wire that was attached to it and jerk it out of the hands of the driver. The boys were hid behind a pile of lumber along side the road in a woods.

A young couple reported to the officers of a supposed hold up and as the posse went to the scene they opened fire, it is alleged, when the boys started to run. Volney Nichols was killed instantly and three other boys were wounded.

The members of the Grand Jury were R. D. Adair, J. T. Charters, Miss Catherine McCurren, Fred Dobbins, C. P. March, S. W. Hartman, Ethel A. Johnson, Herbert T. Corry, Mrs. Matie Smith, Mrs. Agnes Thompson, Charles Kinney, Mrs. Winifred Armstrong, Mrs. Eva Wright, Lee Ledbetter, E. E. Boxwell.

Elvira Sullivan was indicted on a charge of shooting with intent to kill. He is alleged to have wounded Choice Kennedy in an argument over a property he rented from the latter.

## DR. R. H. GRUBE RESIGNS OFFICE UNDER FIRE

Dr. R. H. Grube, county health commissioner and also holding the same position with Xenia City, last Saturday offered his resignation in Xenia, but holds on to the county job. The fight in Xenia against the Dr. following the typhoid fever epidemic was more than he could stand and he quits the job when his successor is named.

Xenia has been paying Grube \$500 a year and the county \$1,500. His inactivity in performing his duties has caused a storm of protest not only in Xenia but over the county.

Some of the civic bodies should proceed to call a mass meeting and present the situation to Representative Broadstone with a request that he introduce a bill in the next legislature seeking to repeal the present health law and return to one that can be operated with less cost to the county. We have the statement from a state official, who refuses to be quoted, in saying that the law is nothing more than a joke and that it is not operated anywhere in the state with any satisfaction, only to the fellow that draws the salary.

## COLLEGE NOTES

Miss Wilma Arnot spent the week end with Miss Margaret Weller at Dayton.

Cedarville College opened its football season Saturday, Sept. 29 by playing Dayton University. A large number of the students accompanied the team. The team lost to the University but hope to have better luck next Friday afternoon when they play Antioch at Yellow Springs.

A new furnace is being installed in the College Library.

College night was observed at the R. P. church Sabbath night, Oct. 1. Mr. Gavin Reilly delivered a very interesting address.

The college orchestra is being organized with a very hopeful future.

The College students went on a truck ride to Bryan Farm Monday night. The evening was enjoyed in games and music, followed by a welter roast.

## BOARD OF VISITORS MAKES LOCAL INSPECTION

The County Board of Visitors was here Monday making an inspection of the local jail. This board makes inspections of the jails in the county as well as county institutions. The board directed that the old bedding in the jail be destroyed and that new be provided. Mrs. Milo Snodgrass, a member of the board, urged that the officials join in a demand for the resignation of Dr. Grube as county health officer.

## HIGH SCHOOL NOTES

The first month's reports are out—more's the pity. Some of us did well and some did better. A comparison of the different classes will show the following results:

Sections receiving A in all subjects—Frances Ginn, Alberta Owens, Carson Webster, Mary Townsley, Dorothy Wilson. Percentage 20.

Sections receiving B in all subjects—Edith Wigal, Frances Anderson, Sara Ellis, Helen Thompson, Anna Hackett. Percentage 13.

Freshmen receiving A in all subjects—Jean Morton, Christian Smith, Isabel Smith, James Stormont, Josephine Auld, Laurence Waddle. Percentage 15.

This week is the beginning of a new month. We hope that each one may profit by the mistakes during the past and make the coming month better. A good many were disappointed in their grades but have already expressed their wish to "do better next time. Then, too, we feel that much improvement can be made in our literary program. The last one was good but we feel the next one should be made better.

We are glad to see that Marianne Mitchell, Margaret Tarbox, and Kenneth Little, who have been ill for the past two weeks, are able to resume their studies once more.

Robert Turnbull is still reported on the sick list, but steadily improving.

Last week was an unlucky week for some of us. While playing Soccer football, Edwin Pfeiffer fell and broke his wrist and Robert Harpant received a fractured rib.

Notice: If in need of an ambulance call C. W.

H. D. had a queer head Saturday. Wonder why?

L. M.'s favorite by-word Friday night was: "Now Bob, quit that."

## SOCIAL EVENTS

Three of the girls gave a dinner party for their gentlemen friends Friday evening. Yes, girls, the way to a man's heart is through his stomach.

Miss Rife: What English word do we get from cimes? Freshman: Famine.

The program given by the Propaganda Literary Society, Friday night, was appreciated by a large audience. The next program will be given by the "Alpha Society," Friday afternoon, October 27. The program will be as follows: Minutes, Margaret Tarbox. Reading of Scripture, George Gordon. Inaugural speech, Mac Harris. Debate—Harvey Auld, Lillias Ford Mary Webster and James Stormont. Poem Alfred Townsley, Laurence Waddle.

H. S. Paper, Gilbert McCoy. Recitation, Christine Smith. Essay, Harry Geller. Comic Essay, Janet Huff. Original Story, Lois Estle. Monologue, Isabel Smith. Coronet Solo, Lester Shephard. Piano Solo, Helen Huff. Recitation, Mary Peters. Committee: Jean Morton, Eleanor Johnson.

## COUNTY RECOVERS THE McDUFFIE BOND

The county is ahead \$500 as a result of the colored evangelist, S. Doug 'as McDuffie, skipping his bond. Several months ago McDuffie was found guilty of sodomy. An arrest of judgment was granted by Judge Gowdy and the bond reduced to \$500. The preacher disappeared and the two bondsmen, W. S. Rogers and J. J. Turner, were defendants in an action brought by Prosecutor Williamson, for the amount and the costs in the case. The suit has been dismissed as much as the \$500 and costs have been paid.

## EMBARGO ON FREIGHT

Freight business on the Pennsylvania lines has become so heavy that an embargo has been placed on many lines of freight. This order has hit the Hagar Straw Board & Paper Co. in that most of the paper made is now being stored in the warehouse. The company cannot ship in line and must have it sent to Xenia over the B. & O. and trucked up from there.

## CINCINNATI LANDED IN SECOND-PLANE AFTER ALL

The National Baseball season has closed and the Cincinnati Reds won second honors after a season of many happenings. Until the past few weeks the team was not regarded as a factor in the race.

The Cedar Inn is now opened for business. It has been remodeled and newly furnished. Will serve chicken dinners every Sunday. Please give us a call. George Hejlik.

## HOGS DISAPPEAR FROM SIXTY ACRE FIELD

The mysterious disappearance of 195 head of hogs from a 60-acre field on a farm three miles south of South Charleston, has been reported by B. C. Mace, formerly of this city, who is operating the farm, according to the Washington C. H. Record Republican.

The hogs averaged 135 pounds according to Mr. Mace, and have been missing since September 9. He places the value on them at about \$3200.

A search conducted over many miles of land in the vicinity of the farm has failed to disclose any of the hogs or any clue to their whereabouts.

Mr. Mace was in Washington Wednesday and told of the peculiar circumstances regarding the missing swine. He stated that they were part of a herd of 383 placed in a 60-acre field of standing corn and they were inspected daily and a daily trip made to see after fences. On the evening of September 9, the man riding over the field noticed several of the hogs in an adjoining stubble field. Next day a search was started which has been continuing since, and a reward of \$200 has been offered to any one who can give information leading to return of the big herd of hogs.

The hogs were of different breeds, some Duroc, Hampshire, Poland Chinas and Chester Whites, and were owned jointly by B. C. Mace and D. L. Thompson.

## CLARK COUNTY MAY HAVE WORKHOUSE SOON

Clark county commissioners have taken steps to investigate the advisability of owning a workhouse. Clark county prisoners have been in the past sent to Dayton but there has been much dissatisfaction over them in which prisoners have been liberated on technical charges. Madison, Champaign, and Green counties are lending encouragement to Clark county to start the new prison. Greene county and Xenia own one jointly but it was not a paying proposition and has been closed for some time. A movement is on now to sell the property.

## ROAD IMPROVEMENT STARTS THIS WEEK

The township trustees with the aid of the county road outfit started work yesterday on the Wilmington road from the Hopping corner on the Federal pike to Main street in town. The road will be graded and then stoned and rolled. The commissioners have also contracted with the Abel Magnesia Co. for 2000 tons of stone for the road, starting at Harry McLean's on the Cedarville and Janssontown pike and running west. The postal department has complained about the condition of this road in the winter time.

## COUNCIL MEETING.

The regular monthly meeting of council was held Monday, all members being present. Reports of committees were received and the mayor reported \$27 in fines and licenses collected. A committee consisting of Ewbank Ross and McLean was appointed to meet with the commissioners and the village solicitor relative to the legislation for the Main street improvement. This committee was also instructed to have an ordinance drawn up to compel owners of automobiles to park within the designated places. Council discussed the improvement of several of the side streets that are in bad condition.

## THE SHEIK'S WIFE.

The great Vitagraph screen production "The Sheik's Wife" comes to the opera house Saturday night. It is a love story of the orient with an all star cast. It is a very unusual picture and one that is now being shown in neighboring cities. The production is full of color, has heart stirring scenes of how one girl fights against those who would ruin her. Adv. It.

## ONE DEAD; ONE INJURED

Leonard Campbell, 23, Xenia, died Monday at the Miami Valley hospital Dayton as a result of an auto accident Sabbath when the auto in which he was riding with John A. Mays, 34, Xenia, crashed into the abutment of the Pennsylvania overhead bridge on the Dayton and Xenia pike. Sabbath Campbell sustained a fractured skull and never regained consciousness. Mays was unconscious for a long time but he will recover.

## BUYS CHEAP FARM.

John Johnson of this place and Clint Sanders of Xenia, recently purchased the John Brickle farm at Sheriff's sale for \$70 an acre. There is 248 acres in the farm with only 6 acres of rough land, the balance being regarded as good tillable land. The farm is on the Wilmington and James town pike.

## OHIO NEWS IN BRIEF

State employment agencies in Ohio have been increased to 10 by the authorization of branches at Middletown and Ashtabula.

Pottery workers at East Liverpool and other points in Ohio are on strike, following refusal of the pottery association to grant a wage increase. Major Edward B. Heller, instructor in military tactics at the Ohio Soldiers' and Sailors' Orphans' home at Xenia, tendered his resignation to Colonel Sylvester Garper, superintendent. Ohio Federation of Labor is sponsoring a bill providing for payment of pensions to citizens 65 years of age and over. It will be presented to the next general assembly.

Andrew Schwab, 30, was killed when six state prohibition officers raided a farm between Shandon and Okon, 15 miles east of Hamilton. The officers seized a still, a quantity of mash and liquor and two men, one of whom escaped. Schwab, it is said, resisted arrest.

City of Akron completed negotiations for the purchase of the village of Solum, one of the oldest towns in the Cuyahoga river valley. The price of \$15,000 includes 450 acres of land, including houses and stores. The purchase was made to provide a site for a new \$2,000,000 disposal plant.

Six-months-old infant of Michael Brutt of Ravenna strangled to death when its head became fastened between a pillow and head rail.

F. W. Edwards, baker, is recovering from a scalp wound inflicted by a bandit, who obtained \$500.

At a meeting of the Ohio Northern Law association, held at Dayton, Ohio, Howard Conway of Cardington was elected vice president.

Heaviest crop of hickory nuts, chestnuts, walnuts and persimmons in years is reported in the Hocking hill country. Fire-bearing game is also reported plentiful.

Hundreds of visitors from Ohio, Kentucky and West Virginia attended Portsmouth's historical pageant. Eighteen election judges and clerks in Salineville, a mining village near East Liverpool, served notice on the Columbiana county election board that they would strike on Nov. 7 unless their compensation was increased from \$5 to \$10 a day.

Emmitt C. Gregg, of Lorain, was seriously injured when he was struck on the forehead by a ball but while he was watching a baseball game. Meigs county voters will be asked to approve a \$500,000 bond issue for a new group of industrial buildings.

Ruth Conrad, champion horsehoe pitcher of Tiffin, won the Seneca county title in competition with fifty picked candidates.

Flora's Sunday motion picture controversy was reopened when E. B. Gilmore, manager of a local motion picture show, was arrested on a charge of violating the state Sunday amusement law.

Fred Leo, 35, St. Clairsville coal miner, was instantly killed when he extended his head outside an automobile as it was passing under a trestle.

Sidney will be the home of the \$750,000 dormitory for the aged and dependent children of the Presbyterian denomination.

A resolution appealing to the mayor and city council of Alliance not to permit the opening of movie theaters on Sunday was passed at a meeting of the Alliance ministerial association.

Farris Franks, 32, died at the hospital here from injuries received when he fell from a tree near Van Buren, Hancock county.

Four hundred delegates attended the annual Reformed Sunday school convention at Marion.

Miss Marguerite Hart, 15, died in Columbus from a fractured skull received in an automobile accident. Her sister, Elma, 20, was seriously injured.

Resolutions expressing unqualified approval of President Harding's action in vetoing the soldier bonus bill was adopted at a meeting of the F. W. Galbraith post of the American Legion at Cincinnati.

Despondency over a love affair was given by Guyver Cook as the reason for the suicide of Ora Stiphr, 28, whose body was found hanging from rafters in the garage at his home in St. Clair township, Butler county.

C. R. Kirkwood and Robert Wolf, boiler makers, were burned seriously when the tank of an acetylene welder, with which they were repairing a locomotive boiler in a railway shop at Cincinnati, exploded.

Sophia Mesorick, 4, Cleveland, was run down and instantly killed by a truck when she sought to dodge a streetcar.

When two auto loads of high school students met in a head collision at Elvira, Nelson, Bechtel, 15, sustained a fractured skull and Dorothy Snyder, 14, was internally injured.

J. N. Daubenmire, insurance collector at Youngstown, sued his wife for divorce on the ground that she went through his pockets while he slept and in 18 months collected \$1,600.

William Beale, 19, Martins Ferry war veteran, was crushed to death when the side of a gravel pit in which he was working caved in.

Ralph Perry, 30, miner, Athens, was killed under a fall of slate. Beverly Cookston, 15, and Mabel McCune, 14, were returned to Marion in custody of an officer. Joseph J. White and Betty Clark, show people, were also brought to Marion. They were arrested in Springfield and the runaway girls were apprehended in Dayton.

For Sale: Fifteen months old Red Polled bull. Meryl Stormont.

## Strange Man Taken Up

The colored man that has caused much fear among farmers east of town and has at times been staying at night in the McMillan school house has at last been captured and residents in that section are now much easier.

For nearly three weeks this person has been at liberty and his presence has caused much concern. He has lived on apples, green corn and pumpkin and when found was only about half dressed.

Three different times residents have called Sheriff Funderburg when the fellow would be seen but by the time the officer could get there he would disappear in the corn and weeds. A search was made each time but never resulted in any good.

Last Sabbath Hiram Rogers got sight of the fellow and with the aid of local officers he was landed.

Marshal Myers and Constable Turner took the fellow to Xenia where he was later turned over to the Sheriff. The fellow admitted to Myers that he at times was demented and had been confined at the Dayton State Hospital. He was released and worked on a state highway near Cincinnati and later near Urbana when he began to wonder around.

## ABEL MAGNESIA CO. RUNNING AT TOP SPEED

One day last week the Abel Magnesia Co. shipped twelve cars of stone in one day, the largest shipment in a single day that ever left the town. With two road contracts near South Charleston, the American Rolling Mill contract and several other small contracts this company promises to be busy well into the winter. While other localities can afford to ship stone or roads some one engineered a deal that resulted in clay, sand and boulders being put on the Clifton pike when the stone road could have been built with the aid of the county road outfit and a single course of stone for the same or less money. Had the stone been used the road would now be in good condition. As it is the road is dangerous, and unpleasant to drive at a moderate rate of speed. The stone road lasted eight or ten years. The gravel will have to be replaced again next year if the road is to be kept up.

## WILL ASK INCREASE RATE.

The Board of Education has passed a resolution calling on the tax payers to grant an increased rate, or an emergency rate of two mills per year for four years. The growth of the school, which is the banner institution in the county, and to meet the requirements of the state, the board finds it impossible to conduct the school on the regular revenue. While our government costs a lot of money, and our schools operated in many ways we do not approve personally, yet in comparison with tax money spent in other ways we get more dollar for dollar in return through our schools than for anything else—especially compared to costs and results of our county health department. Make up your mind that the schools are entitled to more money and that you will support the little increase asked for at the coming election.

## MORE TROUBLE FOR THE REVEREND CULP

The Grand Jury this week found an indictment against Rev. W. W. Culp, former Spring Valley minister, for removing mortgaged property from the county. Culp has been in the Dayton works on a non-support charge and was up once in Montgomery county on a similar charge of removing mortgaged property but was released owing to faulty papers. He is now out on bond to appear here October 10 for trial. A Dayton company holds a mortgage on an auto that is now said to be in Chicago.

## PLAY ANTIOCH TODAY.

The College foot ball team had a hard game last Saturday with the Dayton University team, being out weighed by several pounds per man. Earl Collins received a broken rib and Curvey a sprained shoulder with several of the other boys nursing injured knees. However the team did not play a bad game considering the strength of the opposition. The local boys expect to do better against Antioch today. On the 14th the Rio Grande team plays here.

## BIG SHIPMENT OF CATTLE.

Smith and Frame sold 82 head of fat cattle yesterday that averaged 1017 pounds. The shipment was sold to Reed Pringle, of Smoot of the Springfield Stock Yards Co., who in turn sold them to Swift of Chicago. The cattle were on feed 90 days and made good gain. They brought \$9.85. Following the cattle were 200 head of hogs that will soon be ready to go on the market.

## Attention Ford Owners!

Ford parts, like almost everything else worth while, are counterfeited. Imitation parts are manufactured to SELL at the highest possible rate of profit and the grades of steel used are consequently not the same high quality, specially heat-treated alloy steels specified in Ford formulas for the manufacture of GENUINE FORD PARTS.

Don't be misled—Insist upon GENUINE FORD PARTS made by the Ford Motor Company. By so doing you will get from 35 to 100 per cent more wear from them, and you will pay the lowest possible cost—the same everywhere.

 THE AMENDMENT VOTE

Temperance people are interested in the coming vote on the light wine and beer amendment. It is right they should be but there is more at stake at the coming election this fall than this amendment vote.

There are radical wets that actually believe that if this amendment is approved that light wine and beer will be permissible in Ohio. On the other hand there are dry people that are so worked up about the proposition they too fear every thing is going to be wet.

From the broad side of the question if the amendment was carried by a million majority for the wets the drys would loose nothing more than what they have it present. It could never be put in force because it would conflict with the 18th amendment of the constitution of the United States that does not permit either light wine or beer. As this is above any action that a state can take there is no need for excitement on the part of either the wets or the drys.

We read a statement the other day credited to the superintendent of the Illinois Anti Saloon League. It had a meaning such as we all have heard but it impressed one with the thought that after all the most important thing now was the election of men that would enforce what laws we have as to the unlawful manufacture and sale of liquor.

Illinois is going to have a vote on light wine and beer but what does its superintendent suggest. That all temperance people ignore it and not to even vote against it at the polls or for it. His reason is that the constitution of the United States is greater than any state law and there should be no fear of it being changed very soon.

His fear, and from the article it was well grounded, that while the drys were busy fight about something that could do no good the wets would elect men that would not enforce our dry laws or might get into congress and state legislatures and change the enforcement acts. This is certainly the true situation. It must be true in Illinois. We know it is true in Ohio. The election first of Congressman Fess for the United States Senate means a dry man to protect your interests. His opponent, the Democratic nominee, Senator Pomerene voted against the prohibition act.

In the state you experienced the recent primary contest last August when Carmi Thompson was nominated by a large majority against the united forces of the liberal interests. It so happens that the association that has proposed the wine and beer amendment in Ohio, has endorsed the Democratic nominee as the one that will be the "fairest" and as one that would approve a change in the laws as to jury trials for liquor law violators. Mr. Thompson is absolutely a dry man. Was so when in the legislature years ago, when it was not popular politically and still stands where

he did then.  
 After all we agree with the Illinois temperance leader that the greatest interest should be to see that the right men are chosen to office to enforce what laws we have. Let's not get excited about the small things and allow the Senatorship and the Governorship to get away. Fess and Thompson should have first place in the minds of temperance people.

### CAMPAIGN OPENING.

The Republican campaign was formally opened Tuesday in Columbus with Albert J. Beveridge, candidate for U. S. Senator from Indiana, as the speaker of the day. He gave one of the strongest addresses from a Republican standpoint that has been delivered in an Ohio campaign for many years. While Beveridge has always been regarded as a progressive, yet his speech Tuesday signifies that the Republican party has been trusted with a responsibility and will be continued in power as a result of the faithful efforts of President Harding and Congress to restore condition to a normal base following the condition they were thrown in as a result of the war.

Congressman Fess, candidate for U. S. Senator from this state and Carmi Thompson, candidate for governor also spoke. Senator Willis presided.

## A Fortune Bought In Instalments

BY means of life insurance a man may buy from The Mutual Life of New York on the instalment plan a fortune deliverable to his family at his death, or to himself at the end of twenty years if he be then living. He makes secure the prize for them, and leaves himself free to run the race of life without the anxiety and care entailed by his fear for their future. His mind is at rest, his capital is free, and a fortune is practically secured for those he loves.

### It takes the Jump and Jerk out: Puts Pep and Power in instead

If you want a smooth-running engine and power that you can always depend on, Columbus Gasoline is the answer. It's a pure, unblended fuel of proven goodness that thousands of Hoosier motorists swear by. It takes the jump and jerk out of the engine and saves the cost of new parts and repairs that always result from ragged performance. It gives a quick, easy start, a sure, fast pickup, and unusually big mileages per gallon, and saves your car, your bankroll and your temper.

We don't all have precious heirlooms and costly jewelry and things of great worth.

But most of us have papers like insurance policies, wills and other important documents whose loss would cause distress and annoyance.

The place for them is in a safe deposit box in our vault.

For a few cents a week they will be absolutely protected—safe and yet always available.

B. C. Mace, who resides on the D. L. Thompson farm, on the Charleston and Jamestown pike, was in town yesterday. He is having a public sale which can be found in this issue. Mr. Mace informs us that although he lost 105 head of hogs from a corn field last month he had the satisfaction of running down two men Wednesday night that had stolen two head of hogs and loaded them in a truck. He says the men were followed 22 miles to a point beyond London before they were overtaken. They are now under arrest. He was unable to say whether these men had anything to do with the theft of the other hogs.
